SYSTEM V - CCTV Ceiling Mount for Extra-Large Dome Surveillance Cameras - 2m Ø38mm Pole

B-Tech SYSTEM V - CCTV Ceiling Mount for Extra-Large Dome Surveillance Cameras - 2m Ø38mm Pole:

The BT5961 is a CCTV ceiling mount for large dome security cameras and is available with a 1 or 2 metre ceiling drop. Integrated cable management allows cables to run through the centre of the pole and out through either the top or side of the ceiling mount, ensuring finished installations are neat and tidy. For longer drops, the pole length can be extended with a joiner (BT5924) and additional poles (BT5935) from the System V Range, whilst accessories such as a flat screen can be added with the use of a Ø38mm accessory collar (BT5952) and compatible screen mount.
