Low Level Flat Screen Trolley

**B-Tech Low Level Flat Screen Trolley:**

Designed to mount screens and interactive displays at a low level, the BT8540 features an incremented tilt adjustment up to 90° for the perfect viewing angle, making it ideal for information points in art exhibits and museums or for on stage autocue screens. Braked castors allow the install to be easily repositioned, and height adjustable levelling feet are also included to create a freestanding configuration if required.
