

## Seagate Desktop HDD 200GB 3.5" SATA II 3.5" Serial ATA II

**Marca :** Seagate

**Familia de productos:**  
Desktop HDD

**Código del producto:**  
ST3200827AS

**Nombre del producto :** 200GB  
3.5" SATA II

Seagate Desktop HDD 200GB 3.5" SATA II. Tamaño del HDD: 3.5", Capacidad del HDD: 200 GB, Velocidad de rotación del HDD: 7200 RPM

| Características                                 |                      | Condiciones ambientales                           |                  |
|---|----------------------|---|------------------|
| Tamaño del HDD *                                | 3.5"                 | Intervalo de temperatura de almacenaje            | -40 - 70 °C      |
| Capacidad del HDD *                             | 200 GB               | Intervalo de humedad relativa para funcionamiento | 5 - 90%          |
| Velocidad de rotación del HDD *                 | 7200 RPM             | Intervalo de humedad relativa durante almacenaje  | 5 - 95%          |
| Interfaz *                                      | Serial ATA II        | Altitud de funcionamiento                         | -60.96 - 3048 m  |
| Tipo *  | Unidad de disco duro | Altitud no operativa                              | -60.96 - 12192 m |
| Tamaño del búfer de la unidad de almacenamiento | 8 MB                 | Resistencia a golpes                              | 63 G             |
| Número de cabezales en el HDD                   | 16                   | Golpe (fuera de operación)                        | 350 G            |
| Número de cilindros HDD                         | 16383                |   |                  |
| Tiempo de lectura                               | 8 ms                 |   |                  |
| Tiempo de escritura                             | 9 ms                 |   |                  |
| Latencia promedio                               | 4.16 ms              |   |                  |
| Inciar/detener ciclos                           | 50000                |   |                  |
|   |                      |   |                  |
| Control de energía                              |                      | Peso y dimensiones                                |                  |
| Voltaje de operación                            | 5 / 12 V             | Ancho   | 101.6 mm         |
| Corriente de arranque                           | 2.6 A                | Altura  | 26.1 mm          |
|   |                      | Profundidad                                       | 147 mm           |
|   |                      | Peso  | 580 g            |
| Condiciones ambientales                         |                      | Otras características                             |                  |
| Intervalo de temperatura operativa (T-T)        | 0 - 60 °C            | Rango de transferencia de datos burst (DMA)       | 2                |
|   |                      | Rango de transferencia de datos burst (PIO)       | 4                |
|   |                      | Rango de transferencia de datos burst (Ultra DMA) | 5                |
