

## EnGenius ECS2512FP dispositivo de redes Gestionado L2+ 2.5G Ethernet (100/1000/2500) Energía sobre Ethernet (PoE) Negro

Marca : EnGenius

Código del producto: ECS2512FP

Nombre del producto : ECS2512FP

EnGenius ECS2512FP. Tipo de interruptor: Gestionado, Capa del interruptor: L2+. Puertos tipo básico de conmutación RJ-45 Ethernet: 2.5G Ethernet (100/1000/2500), Cantidad de puertos básicos de conmutación RJ-45 Ethernet: 8. Bidireccional completo (Full duplex). Tabla de direcciones MAC: 16000 entradas, Capacidad de conmutación: 120 Gbit/s. Estándares de red: IEEE 802.3, IEEE 802.3ab, IEEE 802.3u, IEEE 802.3x. Energía sobre Ethernet (PoE). Montaje en rack

| Características de administración                           |  | Diseño  |                                |
|---|--|---|--------------------------------|
| Tipo de interruptor *                                       | Gestionado   | Montaje en rack *                                 | ✓                              |
| Capa del interruptor  | L2+  | Color del producto                                | Negro                          |
| Calidad de servicio (QoS) soporte                           | ✓  | Indicadores LED                                   | ✓                              |
| Administración basada en web                                | ✓  | <b>Desempeño</b>                                  |                                |
| Gestionado por la nube                                      | ✓  | Tipo de memoria                                   | SDRAM                          |
| Configuración de ajustes de ubicación (CLI)                 | ✓  | Memoria interna                                   | 512 MB                         |
| Registro de eventos en sistema                              | ✓  | Memoria Flash                                     | 128 MB                         |
| <b>Puertos e Interfaces</b>                                 |  | <b>Control de energía</b>                         |                                |
| Cantidad de puertos básicos de conmutación RJ-45 Ethernet * | 8  | Fuente de alimentación incluida *                 | ✓                              |
| Puertos tipo básico de conmutación RJ-45 Ethernet *         | 2.5G Ethernet (100/1000/2500)                      | Voltaje de entrada AC                             | 100 - 240 V                    |
| <b>Red</b>  |  | Frecuencia de entrada AC                          | 50 - 60 Hz                     |
| Estándares de red *   | IEEE 802.3, IEEE 802.3ab, IEEE 802.3u, IEEE 802.3x | <b>Alimentación a través de Ethernet (PoE)</b>    |                                |
| Soporte 10G *   | ✗  | Energía sobre Ethernet (PoE) *                    | ✓                              |
| Tecnología de cableado ethernet de cobre                    | 10BASE-T, 100BASE-T, 100BASE-TX                    | <b>Condiciones ambientales</b>                    |                                |
| Espejeo de puertos  | ✓  | Intervalo de temperatura operativa (T-T)          | 0 - 50 °C                      |
| Bidireccional completo (Full duplex)                        | ✓  | Intervalo de humedad relativa para funcionamiento | 5 - 95%                        |
| Soporte de control de flujo                                 | ✓  | <b>Peso y dimensiones</b>                         |                                |
| Adición de vínculos   | ✓  | Ancho   | 330 mm                         |
| Ethernet LAN, velocidad de transferencia de datos           | 100,1000,2500 Mbit/s                               | Profundidad                                       | 230 mm                         |
| <b>Transmisión de datos</b>                                 |  | Altura  | 44 mm                          |
| Capacidad de conmutación *                                  | 120 Gbit/s   | Peso  | 2.3 kg                         |
| Tabla de direcciones MAC *                                  | 16000 entradas                                     | <b>Empaquetado de datos</b>                       |                                |
| Soporte Jumbo Frames  | ✓  | Cables incluidos                                  | Corriente alterna, LAN (RJ-45) |
| Marcos jumbo  | 9000   | Guía de configuración rápida                      | ✓                              |
|   |  | Estante de montaje                                | ✓                              |
|   |  | <b>Datos de logística</b>                         |                                |
|   |  | Código de Sistema de Armonización (SA)            | 85176990                       |
