

## XPG SPECTRIX D50 módulo de memoria 16 GB 1 x 16 GB DDR4 4133 MHz

Marca : XPG

Código del producto: AX4U413316G19J-ST50

Nombre del producto : SPECTRIX D50

XPG SPECTRIX D50. Componente para: PC/servidor, Memoria interna: 16 GB, Diseño de memoria (módulos x tamaño): 1 x 16 GB, Tipo de memoria interna: DDR4, Velocidad de memoria del reloj: 4133 MHz, Factor de forma de memoria: 288-pin DIMM, Latencia CAS: 19

| Características                                       |                           | Características                          |                  |
|-------------------------------------------------------|---------------------------|------------------------------------------|------------------|
| Tipo de memoria intermedia                            | Unregistered (unbuffered) | Retro iluminación                        | ✓                |
| Latencia CAS                                          | 19                        | Color de luz de fondo                    | Rojo/Verde/Azul  |
| Memoria interna *                                     | 16 GB                     | Certificación                            | RoHS             |
| Diseño de memoria (módulos x tamaño) *                | 1 x 16 GB                 | <b>Condiciones ambientales</b>           |                  |
| Tipo de memoria interna *                             | DDR4                      | Intervalo de temperatura operativa (T-T) | 0 - 85 °C        |
| Velocidad de memoria del reloj *                      | 4133 MHz                  | Intervalo de temperatura de almacenaje   | -20 - 65 °C      |
| Componente para *                                     | PC/servidor               | <b>Detalles técnicos</b>                 |                  |
| Factor de forma de memoria *                          | 288-pin DIMM              | Certificados de cumplimiento             | RoHS             |
| ECC *                                                 | ✗                         | <b>Peso y dimensiones</b>                |                  |
| Canales de memoria                                    | Monocanal                 | Ancho                                    | 133.3 mm         |
| Clasificación de memoria                              | 1                         | Profundidad                              | 8 mm             |
| Voltaje de memoria                                    | 1.35,1.5 V                | Altura                                   | 40 mm            |
| Perfil de Memoria Extrema Intel (XMP)                 | ✓                         | <b>Empaquetado de datos</b>              |                  |
| Versión del perfil Intel XMP (Extreme Memory Profile) | 2.0                       | Ancho del paquete                        | 150 mm           |
| Tipo de enfriamiento                                  | Disipador térmico         | Largo del paquete                        | 15.5 mm          |
|                                                       |                           | Alto del paquete                         | 67 mm            |
|                                                       |                           | Peso del paquete                         | 94.19 g          |
|                                                       |                           | Tipo de empaque                          | Paquete de venta |
