

Epson Production Photo Paper Glossy 200 24" x 30m

Merk : Epson

Artikelcode: C13S450371

Productnaam : Production Photo Paper Glossy 200 24" x 30m

Production Photo Paper Glossy 200 24" x 30m

Epson Production Photo Paper Glossy 200 24" x 30m:

Gemoedsrust

Epson biedt de complete alles-in-één printoplossing, inclusief printers, inkt, papier en software, allemaal ontworpen om perfect samen te werken.

Gebruiksvriendelijk

Dit fotopapier kan worden gebruikt met Epson SC-T Series- en SC-P Series-printers die rolmedia ondersteunen. Epson biedt ook papierinstellingen en ICC-profielen voor nog meer gebruiksgemak. Voor sommige printers zijn deze geïntegreerd in de drivers, zodat de gebruiker direct kan beginnen met afdrukken (zie de webpagina van de printer voor meer informatie). De geproduceerde afdrukken bieden een echte fotografische look en feel tegen een betaalbare prijs, en dit maakt een breed scala aan mogelijke toepassingen mogelijk.

Ondersteunt afdrukken op hoge snelheid

De microporeuze coating van het papier zorgt voor snelle productie met sneldrogende afdrukken. Hoge printkwaliteit kan zelfs bij lage dpi worden bereikt.
